Book Rental – 5th Year students 2020-2021

Dear Parent/Guardian

Books for fifth Year students will be made available on a **Book Rental Scheme** for the coming school year. The cost of the rental will be €100 for 2 years. This will not cover the cost of workbooks or copies needed. This is very good value as you would be required to pay €250 - €300 for Senior Cycle textbooks. The books highlighted on the booklist attached will be available on the book rental scheme, for your daughter's chosen subjects.

Students may rent the books for 5th and 6th year and return them to the school on completion of 6th year.

If you wish to avail of the Book Rental Scheme, email admin@presballyphehane.com with your daughter's name, stating that you wish her to avail of the book rental scheme before **Thursday 18th June 2020** so that the books can be ordered.

Payment can be made in August at the office. Your daughter will not receive her books until payment has been made.

Is mise le meas,

Nicola Barrett

Principal
